# IgM Antibody – Rabbit Polyclonal

## PRODUCT OVERVIEW

| | |
|---|---|
| **Product Name** | IgM, Polyclonal Antibody |
| **Full Product Name** | RABBIT ANTI GOAT IgM |
| **Product Gene Name** | anti-IgM antibody |
| **Clonality** | Polyclonal |
| **Isotype** | IgG |
| **Host** | Rabbit |
| **Form/Format** | Purified<br>Purified IgG - liquid |
| **Concentration** | IgG concentration 1.0 mg/ml (lot specific) |
| **Preparation and Storage** | Store at 4 degree C. DO NOT FREEZE. This product should be stored undiluted. Should this product contain a precipitate we recommend microcentrifugation before use.<br>Shelf Life: 18 months from date of despatch. |
| **Perservative Stabilisers** | 0.09% Sodium Azide (NaN3) |
| **Immunogen** | Purified goat IgM<br>Buffer Solution\|\|Phosphate buffered saline |
| **Antiserum Preparation** | Antisera to goat IgM were raised by repeated immunisation of rabbits with highly purified antigen. Purified IgG prepared by affinity chromatography. |
| **Target Species** | Goat |
| **Applications Tested/Suitable for anti-IgM antibody** | ELISA (EIA), Immunodiffusion (ID) |
| **Application Notes for anti-IgM antibody** | **ELISA:** Minimum Dilution: 1/100; Maximum Dilution: 1/1000 |
| **Related Product Information for anti-IgM antibody** | Rabbit anti goat IgM antibody recognizes goat immunoglobulin M. Reactivity to other goat immunoglobulin classes has been minimised by cross-adsorption. Rabbit anti goat IgM antibody may react with IgM from other species. |
| **Other Notes** | Small volumes of anti-IgM antibody vial(s) may occasionally become entrapped in the seal of the product vial during shipment and storage. If necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the container`s cap. Certain products may require to ship with dry ice and additional dry ice fee may apply. |
| **Searchable Terms for IgM purchase** | MBS222734 is an antibody targeting IgM. Also known as RABBIT ANTI GOAT IgM. Host: Rabbit. |

## ADDITIONAL DETAILS

NCBI/Uniprot data below describe general gene information for IgM. It may not necessarily be applicable to this product.

| | |
|---|---|
| **Protein Family** | IgM protease |
| **Precautions** | All of MyBioSource's Products are for scientific laboratory research purposes and are not for diagnostic, therapeutics, prophylactic or in vivo use. Through your purchase, you expressly represent and warrant to MyBioSource that you will properly test and use any Products purchased from MyBioSource in accordance with industry standards. MyBioSource and its authorized distributors reserve the right to refuse to process any order where we reasonably believe that the intended use will fall outside of our acceptable guidelines. |

| | |
|---|---|
| **Disclaimer** | While every efforts were made to ensure the accuracy of the information provided in this datasheet, MyBioSource will not be liable for any omissions or errors contained herein. MyBioSource reserves the right to make changes to this datasheet at any time without prior notice.<br><br>It is the responsibility of the customer to report product performance issues to MyBioSource within 30 days of receipt of the product. Please visit our Terms & Conditions page for more information. |
| **Product Note** | Select online data sheet information is drawn from bioinformatics databases, occasionally resulting in ambiguous or non-relevant product information. It is the responsibility of the customer to review, verify, and evaluate the information to make sure it matches their requirements before purchasing the kit. Our ELISA Kit assays are dynamic research tools and sometimes they may be updated and improved. If the format of this assay is important to you then please request the current manual or contact our technical support team with a presales inquiry before placing an order. We will confirm the current details of the assay. We cannot guarantee the sample manual posted online is the most current manual, it is intended to serve as an example only. Please refer to the instructions For Use provided with the assay kit for precise details. |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures.
