SNRPA Antibody – Rabbit Polyclonal

PRODUCT OVERVIEW

Product Name	SNRPA, Polyclonal Antibody
Full Product Name	SNRPA Polyclonal Antibody
Product Gene Name	anti-SNRPA antibody
Product Synonym Names	U1A; Mud1; U1-A
Clonality	Polyclonal
Isotype	IgG
Host	Rabbit
Species Reactivity	Human, Mouse, Rat
Purity/Purification	Affinity Purification
Preparation and Storage	Store at -20 degree C (regular) or -80 degree C (long term). Avoid freeze / thaw cycles. Buffer: PBS with 0.02% sodium azide, 50% glycerol, pH7.3.
Molecular Weight	Calculated MW: 31kDa
Immunogen	Recombinant protein of human SNRPA
Buffer	PBS with 0.02% sodium azide, 50% glycerol, pH7.3
Santa Cruz Alternative	Potential replacement for Santa Cruz Biotechnology antibody catalog# sc-160024
ISO Certification	Manufactured in an ISO 9001:2015 Certified Laboratory.
Applications Tested/Suitable for anti-SNRPA antibody	Western Blot (WB), Immunohistochemistry (IHC)
Application Notes for anti-SNRPA antibody	WB: 1:500-1:2000, IHC: 1:50-1:200
Related Product Information for anti-SNRPA antibody	The protein encoded by this gene associates with stem loop II of the U1 small nuclear ribonucleoprotein, which binds the 5' splice site of precursor mRNAs and is required for splicing. The encoded protein autoregulates itself by polyadenylation inhibition of its own pre-mRNA via dimerization and has been implicated in the coupling of splicing and polyadenylation.
Other Notes	Small volumes of anti-SNRPA antibody vial(s) may occasionally become entrapped in the seal of the product vial during shipment and storage. If necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the container`s cap. Certain products may require to ship with dry ice and additional dry ice fee may apply.
Searchable Terms for SNRPA purchase	MBS2535829 is an antibody targeting SNRPA. Also known as SNRPA Polyclonal Antibody. Reactive in Human, Mouse, Rat. Host: Rabbit.

Western Blot (WB) of anti-SNRPA antibody
Western blot analysis of extracts of various cell lines, using SNRPA antibody.

ADDITIONAL DETAILS

NCBI/Uniprot data below describe general gene information for SNRPA. It may not necessarily be applicable to this product.

NCBI GI #	958255773
NCBI Accession #	JAO41386.1
NCBI Official Full Name	SNRPA
UniProt Protein Name	SNRPA
UniProt Synonym Protein Names	SNRPA
Protein Family	U1 small nuclear ribonucleoprotein
UniProt Gene Name	SNRPA
UniProt Entry Name	A0A0S7HQM6_9TELE
Precautions	All of MyBioSource's Products are for scientific laboratory research purposes and are not for diagnostic, therapeutics, prophylactic or in vivo use. Through your purchase, you expressly represent and warrant to MyBioSource that you will properly test and use any Products purchased from MyBioSource in accordance with industry standards. MyBioSource and its authorized distributors reserve the right to refuse to process any order where we reasonably believe that the intended use will fall outside of our acceptable guidelines.
Disclaimer	While every efforts were made to ensure the accuracy of the information provided in this datasheet, MyBioSource will not be liable for any omissions or errors contained herein. MyBioSource reserves the right to make changes to this datasheet at any time without prior notice. It is the responsibility of the customer to report product performance issues to MyBioSource within 30 days of receipt of the product. Please visit our Terms & Conditions page for more information.
Product Note	Select online data sheet information is drawn from bioinformatics databases, occasionally resulting in ambiguous or non-relevant product information. It is the responsibility of the customer to review, verify, and evaluate the information to make sure it matches their requirements before purchasing the kit. Our ELISA Kit assays are dynamic research tools and sometimes they may be updated and improved. If the format of this assay is important to you then please request the current manual or contact our technical support team with a presales inquiry before placing an order. We will confirm the current details of the assay. We cannot guarantee the sample manual posted online is the most current manual, it is intended to serve as an example only. Please refer to the instructions For Use provided with the assay kit for precise details.

For Research Use Only. Not for use in diagnostic or therapeutic procedures.
