Strep. Group A Antibody – Rabbit Polyclonal

PRODUCT OVERVIEW

Product Name	Strep. Group A, Polyclonal Antibody
Full Product Name	Group A Streptococcus
Product Synonym Names	Group A Streptococcus Antiserum Products
Clonality	Polyclonal
Isotype	Purified IgG fraction
Host	Rabbit
Form/Format	0.01M Phosphate Buffered Saline, pH 7.2, containing 0.1% sodium azide
Purity/Purification	Immunoaffinity purified specific antibody; ? 95%
Concentration	3.1 mg/ml (lot specific)
Specificity	Type specific carbohydrate of group A streptococcus
Preparation and Storage	Short Term: 2-8°C; Long Term: -20°C; Avoid freeze-thaws Maximum one freeze-thaw during storage
Cross Reactivity	Non-reactive with other Strep groups
Recovery	Centrifuge briefly to ensure full recovery of contents
Product Categories/Family for anti-Strep. Group A antibody	OMNITOPE Polyclonal Antibodies
Applications Tested/Suitable for anti-Strep. Group A antibody	ELISA, Immunofluorescence Assay (IFA), Lateral Flow (LF)
Related Product Information for anti-Strep. Group A antibody	This product consists of specific antibody that has been purified from the antiserum via immunoaffinity chromatography. It is formulated in a phosphate saline buffer (0.01M, pH 7.2) containing 0.1% sodium azide preservative. No stabilizing proteins have been added. Antibody concentration is 1.0 mg/ml (A280 nm). Recommended short term (<6 months) storage is liquid at 2-8 degree C. For longer term storage, aliquot and freeze. Unit size is 1.0 ml liquid.
Other Notes	Small volumes of anti-Strep. Group A antibody vial(s) may occasionally become entrapped in the seal of the product vial during shipment and storage. If necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the container`s cap. Certain products may require to ship with dry ice and additional dry ice fee may apply.
Searchable Terms for Strep. Group A purchase	MBS324096 is an antibody targeting Strep. Group A. Also known as Group A Streptococcus. Host: Rabbit.

For Research Use Only. Not for use in diagnostic or therapeutic procedures.
