Influenza A Native Protein

PRODUCT OVERVIEW

Product Name	Influenza A, Native Protein
Full Product Name	Influenza A protein
Product Synonym Names	Influenza Virus protein; PR8 protein; X157 protein; RH3 protein; Influenza Virus A
Host	Viral
Form/Format	Allantoic fluid
Preparation and Storage	Store at 4 degree C for short term storage, aliquot and freeze at -20 degree C for long term storage
Source Note	Embyronated eggs
Protein Type	Native
Dry Ice Shipment	Extra charge fee may add to your shipping cost as dry ice is required to ship this product.
Product Categories/Family for Influenza A native protein	Infectious Disease; Native Protein
Applications Tested/Suitable for Influenza A native protein	ELISA (EIA), Immunoassays, Western Blot (WB)
Application Notes for Influenza A native protein	To be optimized by the end user
Related Product Information for Influenza A native protein	MBS5303574 is a native protein targeting Influenza A. Also known as Influenza A protein. Host: Viral. Purified native Influenza A protein
Other Notes	Small volumes of Influenza A native protein vial(s) may occasionally become entrapped in the seal of the product vial during shipment and storage. If necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the container`s cap. Certain products may require to ship with dry ice and additional dry ice fee may apply.

For Research Use Only. Not for use in diagnostic or therapeutic procedures.
