c3c Antibody – Goat Polyclonal

PRODUCT OVERVIEW

Product Name	C3c, Polyclonal Antibody
Full Product Name	Goat anti Human C3c, conjugated with TRITC
Product Gene Name	anti-c3c antibody
Clonality	Polyclonal
Host	Goat
Species Reactivity	Human
Specificity	Tetramethylrhodamine isothiocyanate-conjugated IgG fraction of polyclonal Goat antiSerum to C3c fragment of Human complement factor C3
Preparation and Storage	Store at 4 degree C.
Chromosome Location	Chromosome: 1; NC_007112.5 (56821390..56867343). Location: chromosome: 1
Conjugation	TRITC
Reactivity Note	The antiSerum does not cross-react with any other component of Human plasma. Inter-species cross-reactivity is a normal feature of antibodies to plasma proteins since they frequently share antigenic determinants. Cross-reactivity of this antiSerum has not been tested in detail.
Product Categories/Family for anti-c3c antibody	Complement; Coagulation; Haematology
Applications Tested/Suitable for anti-c3c antibody	ELISA (EIA), Immunocytochemistry (IHC), Immunohistochemistry (IHC), (In)direct Immunofluorescence (IF)
Related Product Information for anti-c3c antibody	MBS573545 is an antibody targeting c3c. Also known as Goat anti Human C3c, conjugated with TRITC. Reactive in Human. Host: Goat.
Other Notes	Small volumes of anti-c3c antibody vial(s) may occasionally become entrapped in the seal of the product vial during shipment and storage. If necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the container`s cap. Certain products may require to ship with dry ice and additional dry ice fee may apply.

ADDITIONAL DETAILS

NCBI/Uniprot data below describe general gene information for c3c. It may not necessarily be applicable to this product.

NCBI GI #	82524318
NCBI GeneID	565074
NCBI Accession #	NP_001032313.1
GenBank Nucleotide #	NM_001037236.1
NCBI Official Full Name	complement component c3c
NCBI Official Synonym Full Names	complement component c3c
NCBI Official Symbol	c3c
NCBI Official Synonym Symbols	C3-3; c3-2; unp301; zgc:103610
NCBI Protein Information	complement component c3c; complement component C3-2

Precautions	All of MyBioSource's Products are for scientific laboratory research purposes and are not for diagnostic, therapeutics, prophylactic or in vivo use. Through your purchase, you expressly represent and warrant to MyBioSource that you will properly test and use any Products purchased from MyBioSource in accordance with industry standards. MyBioSource and its authorized distributors reserve the right to refuse to process any order where we reasonably believe that the intended use will fall outside of our acceptable guidelines.
Disclaimer	While every efforts were made to ensure the accuracy of the information provided in this datasheet, MyBioSource will not be liable for any omissions or errors contained herein. MyBioSource reserves the right to make changes to this datasheet at any time without prior notice. It is the responsibility of the customer to report product performance issues to MyBioSource within 30 days of receipt of the product. Please visit our Terms & Conditions page for more information.
Product Note	Select online data sheet information is drawn from bioinformatics databases, occasionally resulting in ambiguous or non-relevant product information. It is the responsibility of the customer to review, verify, and evaluate the information to make sure it matches their requirements before purchasing the kit. Our ELISA Kit assays are dynamic research tools and sometimes they may be updated and improved. If the format of this assay is important to you then please request the current manual or contact our technical support team with a presales inquiry before placing an order. We will confirm the current details of the assay. We cannot guarantee the sample manual posted online is the most current manual, it is intended to serve as an example only. Please refer to the instructions For Use provided with the assay kit for precise details.

For Research Use Only. Not for use in diagnostic or therapeutic procedures.
