Manserin Antibody – Rabbit Polyclonal

PRODUCT OVERVIEW

Product Name	Manserin, Polyclonal Antibody
Full Product Name	Manserin (Secretogranin II-derived Peptide, SgII-derived Peptide)
Product Synonym Names	Anti -Manserin (Secretogranin II-derived Peptide, SgII-derived Peptide)
Clonality	Polyclonal
Isotype	IgG
Host	Rabbit
Species Reactivity	Human, Rat
Form/Format	Supplied as a lyophilized powder. Reconstitute with sterile dH2O.
Purity/Purification	Serum Serum
Specificity	Recognizes rat Manserin. Species crossreactivity: human.
Preparation and Storage	Lyophilized powder may be stored at -20 degree C. Stable for 12 months at -20 degree C. Reconstitute with sterile ddH2O. Aliquot to avoid repeated freezing and thawing. Store at -20 degree C. Reconstituted product is stable for 12 months at -20 degree C. For maximum recovery of product, centrifuge the original vial after thawing and prior to removing the cap. Further dilutions can be made in assay buffer.
Immunogen	Synthetic peptide corresponding to aa529-568 of rat Manserin.
Positive Control	Human pancreas
Product Categories/Family for anti-Manserin antibody	Antibodies; Abs to Chromogranin
Applications Tested/Suitable for anti-Manserin antibody	Immunohistochemistry (IHC)
Application Notes for anti-Manserin antibody	Suitable for use in Immunohistochemistry. Dilution: Immunohistochemistry (formalin-fixed paraffin): 1:500 (ABC, DAB)
Related Product Information for anti-Manserin antibody	MBS6004204 is an antibody targeting Manserin. Also known as Manserin (Secretogranin II-derived Peptide, SgII-derived Peptide). Reactive in Human, Rat. Host: Rabbit.
Other Notes	Small volumes of anti-Manserin antibody vial(s) may occasionally become entrapped in the seal of the product vial during shipment and storage. If necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the container`s cap. Certain products may require to ship with dry ice and additional dry ice fee may apply.

Testing Data of anti-Manserin antibody
Human pancreas tissue was stained by Rabbit Anti-Manserin (529-568) (Rat) Antibody

For Research Use Only. Not for use in diagnostic or therapeutic procedures.
