Helix Pomatia (gaggl) Antibody – Rabbit Polyclonal

PRODUCT OVERVIEW

Product Name	Helix pomatia (gaggl), Polyclonal Antibody
Full Product Name	Helix pomatia (HPA, Edible Snail) (Biotin)
Product Gene Name	anti-gaggl antibody
Product Synonym Names	Anti -Helix pomatia (HPA, Edible Snail) (Biotin)
Clonality	Polyclonal
Host	Rabbit
Form/Format	Supplied as a liquid in PBS, pH 7.3, 0.05% sodium azide. Labeled with Biotin.
Purity/Purification	Purified by ammonium sulfate precipitation.
Concentration	1mg.mL (lot specific)
Specificity	Recognizes Helix pomata (HPA, edible snail)
Preparation and Storage	Store product at 4°C if to be used immediately within two weeks. For long-term storage, aliquot to avoid repeated freezing and thawing and store at -20°C. Aliquots are stable at -20°C for 12 months after receipt. Dilute required amount only prior to immediate use. Further dilutions can be made in assay buffer. For maximum recovery of product, centrifuge the original vial after thawing and prior to removing the cap.
3D Structure	ModBase 3D Structure for Q0JXN7
Immunogen	Helix pomata (HPA, edible snail)
Product Categories/Family for anti-gaggl antibody	Antibodies; Abs to Lectins
Application Notes for anti-gaggl antibody	Suitable for use in Immunodiffusion and IEP. Other applications not tested. Optimal dilutions to be determined by the researcher.
Related Product Information for anti-gaggl antibody	MBS611810 is an antibody targeting gaggl. Also known as Helix pomatia (HPA, Edible Snail) (Biotin). Host: Rabbit.
Other Notes	Small volumes of anti-gaggl antibody vial(s) may occasionally become entrapped in the seal of the product vial during shipment and storage. If necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the container`s cap. Certain products may require to ship with dry ice and additional dry ice fee may apply.

ADDITIONAL DETAILS

NCBI/Uniprot data below describe general gene information for gaggl. It may not necessarily be applicable to this product.

NCBI GI #	113531016
NCBI Accession #	CAK19330.1
UniProt Primary Accession #	Q0JXN7
NCBI Official Full Name	HPA2 protein
UniProt Protein Name	HPA2 protein
UniProt Gene Name	gaggl
UniProt Entry Name	Q0JXN7_HELPO

Precautions	All of MyBioSource's Products are for scientific laboratory research purposes and are not for diagnostic, therapeutics, prophylactic or in vivo use. Through your purchase, you expressly represent and warrant to MyBioSource that you will properly test and use any Products purchased from MyBioSource in accordance with industry standards. MyBioSource and its authorized distributors reserve the right to refuse to process any order where we reasonably believe that the intended use will fall outside of our acceptable guidelines.
Disclaimer	While every efforts were made to ensure the accuracy of the information provided in this datasheet, MyBioSource will not be liable for any omissions or errors contained herein. MyBioSource reserves the right to make changes to this datasheet at any time without prior notice. It is the responsibility of the customer to report product performance issues to MyBioSource within 30 days of receipt of the product. Please visit our Terms & Conditions page for more information.
Product Note	Select online data sheet information is drawn from bioinformatics databases, occasionally resulting in ambiguous or non-relevant product information. It is the responsibility of the customer to review, verify, and evaluate the information to make sure it matches their requirements before purchasing the kit. Our ELISA Kit assays are dynamic research tools and sometimes they may be updated and improved. If the format of this assay is important to you then please request the current manual or contact our technical support team with a presales inquiry before placing an order. We will confirm the current details of the assay. We cannot guarantee the sample manual posted online is the most current manual, it is intended to serve as an example only. Please refer to the instructions For Use provided with the assay kit for precise details.

For Research Use Only. Not for use in diagnostic or therapeutic procedures.
