Complement Component C8 Antibody – Sheep Polyclonal

PRODUCT OVERVIEW

Product Name	Complement Component C8, Polyclonal Antibody
Full Product Name	Complement Component C8 (Complement C8, Complement Component C8 alpha Chain, Complement Component 8 alpha Polypeptide, Complement Component 8 Subunit alpha, C8A, Complement Component C8 beta Chain, Complement Component 8 beta Polypeptide, Complement Compo
Clonality	Polyclonal
Isotype	IgG
Host	Sheep
Species Reactivity	Human
Form/Format	Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Allophycocyanin (APC).
Purity/Purification	Affinity Purified
Specificity	Recognizes human Complement C8.
Preparation and Storage	Store product at 4 degree C in the dark. DO NOT FREEZE! Stable at 4 degree C for 12 months after receipt as an undiluted liquid. Dilute required amount only prior to immediate use. Further dilutions can be made in assay buffer. Caution: APC conjugates are sensitive to light. For maximum recovery of product, centrifuge the original vial prior to removing the cap.
Immunogen	Human C8, purified from plasma
Conjugate	APC
Note	Preservative Free
Product Categories/Family for anti-Complement Component C8 antibody	Antibodies; Complement
Applications Tested/Suitable for anti-Complement Component C8 antibody	Western Blot (WB), Immunodiffusion, ODD
Application Notes for anti-Complement Component C8 antibody	WB: 100ul antiserum/15ul fresh plasma Applications are based on unconjugated antibody.
Related Product Information for anti-Complement Component C8 antibody	MBS6400186 is an antibody targeting Complement Component C8. Also known as Complement Component C8 (Complement C8, Complement Component C8 alpha Chain, Complement Component 8 alpha Polypeptide, Complement Component 8 Subunit alpha, C8A, Complement Component C8 beta Chain, Complement Component 8 beta Polypeptide, Complement Compo. Reactive in Human. Host: Sheep.
Other Notes	Small volumes of anti-Complement Component C8 antibody vial(s) may occasionally become entrapped in the seal of the product vial during shipment and storage. If necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the container`s cap. Certain products may require to ship with dry ice and additional dry ice fee may apply.

ADDITIONAL DETAILS

NCBI/Uniprot data below describe general gene information for Complement Component C8. It may not necessarily be applicable to this product.

Protein Family	Complement component

Precautions	All of MyBioSource's Products are for scientific laboratory research purposes and are not for diagnostic, therapeutics, prophylactic or in vivo use. Through your purchase, you expressly represent and warrant to MyBioSource that you will properly test and use any Products purchased from MyBioSource in accordance with industry standards. MyBioSource and its authorized distributors reserve the right to refuse to process any order where we reasonably believe that the intended use will fall outside of our acceptable guidelines.
Disclaimer	While every efforts were made to ensure the accuracy of the information provided in this datasheet, MyBioSource will not be liable for any omissions or errors contained herein. MyBioSource reserves the right to make changes to this datasheet at any time without prior notice. It is the responsibility of the customer to report product performance issues to MyBioSource within 30 days of receipt of the product. Please visit our Terms & Conditions page for more information.
Product Note	Select online data sheet information is drawn from bioinformatics databases, occasionally resulting in ambiguous or non-relevant product information. It is the responsibility of the customer to review, verify, and evaluate the information to make sure it matches their requirements before purchasing the kit. Our ELISA Kit assays are dynamic research tools and sometimes they may be updated and improved. If the format of this assay is important to you then please request the current manual or contact our technical support team with a presales inquiry before placing an order. We will confirm the current details of the assay. We cannot guarantee the sample manual posted online is the most current manual, it is intended to serve as an example only. Please refer to the instructions For Use provided with the assay kit for precise details.

For Research Use Only. Not for use in diagnostic or therapeutic procedures.
