Leucomyosuppressin (LMS) Peptide – Synthetic Peptide, ~95%. Purified by HPLC. Purity

PRODUCT OVERVIEW

Product Name	Leucomyosuppressin (LOC100163798), Peptide
Full Product Name	Leucomyosuppressin (LMS)
Product Gene Name	LOC100163798 peptide
Host	Synthetic peptide
Form/Format	Supplied as a lyophilized powder.
Purity/Purification	Highly Purified ~95%. Purified by HPLC.
Preparation and Storage	Lyophilized powder may be stored at 4 degree C for short-term only. Stable for 12 months at -20 degree C. Reconstitute to nominal volume (see reconstitution instructions for peptides) and store at -20 degree C. For maximum recovery of product, centrifuge the original vial prior to removing the cap. Further dilutions can be made in assay buffer.
Chromosome Location	chromosome: Un
Sequence (linear)	Pyr-Asp-Val-Asp-His-Val-Phe-Leu-Arg-Phe-NH2
Product Categories/Family for LOC100163798 peptide	Molecular Biology; MB-Peptides
Related Product Information for LOC100163798 peptide	MBS659560 is a peptide targeting LOC100163798. Also known as Leucomyosuppressin (LMS). Host: Synthetic peptide.
Other Notes	Small volumes of LOC100163798 peptide vial(s) may occasionally become entrapped in the seal of the product vial during shipment and storage. If necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the container`s cap. Certain products may require to ship with dry ice and additional dry ice fee may apply.

ADDITIONAL DETAILS

NCBI/Uniprot data below describe general gene information for LOC100163798. It may not necessarily be applicable to this product.

NCBI GI #	242247208
NCBI GeneID	100163798
NCBI Accession #	NP_001156174.1
GenBank Nucleotide #	NM_001162702.2
NCBI Official Full Name	leucomyosuppressin-like
NCBI Official Synonym Full Names	leucomyosuppressin-like
NCBI Official Symbol	LOC100163798
Protein Family	Leucomyosuppressin
NCBI Protein Information	leucomyosuppressin-like
Precautions	All of MyBioSource's Products are for scientific laboratory research purposes and are not for diagnostic, therapeutics, prophylactic or in vivo use. Through your purchase, you expressly represent and warrant to MyBioSource that you will properly test and use any Products purchased from MyBioSource in accordance with industry standards. MyBioSource and its authorized distributors reserve the right to refuse to process any order where we reasonably believe that the intended use will fall outside of our acceptable guidelines.

Disclaimer	While every efforts were made to ensure the accuracy of the information provided in this datasheet, MyBioSource will not be liable for any omissions or errors contained herein. MyBioSource reserves the right to make changes to this datasheet at any time without prior notice. It is the responsibility of the customer to report product performance issues to MyBioSource within 30 days of receipt of the product. Please visit our Terms & Conditions page for more information.
Product Note	Select online data sheet information is drawn from bioinformatics databases, occasionally resulting in ambiguous or non-relevant product information. It is the responsibility of the customer to review, verify, and evaluate the information to make sure it matches their requirements before purchasing the kit. Our ELISA Kit assays are dynamic research tools and sometimes they may be updated and improved. If the format of this assay is important to you then please request the current manual or contact our technical support team with a presales inquiry before placing an order. We will confirm the current details of the assay. We cannot guarantee the sample manual posted online is the most current manual, it is intended to serve as an example only. Please refer to the instructions For Use provided with the assay kit for precise details.

For Research Use Only. Not for use in diagnostic or therapeutic procedures.
