SIGLEC15 Recombinant Protein

PRODUCT OVERVIEW

Product Name	SIGLEC15, Recombinant Protein
Full Product Name	SIGLEC15 Protein, Cynomolgus, Recombinant (ECD, hFc Tag)
Product Gene Name	SIGLEC15 recombinant protein
Product Synonym Names	Cynomolgus SIGLEC15 Protein (ECD, Fc Tag); sialic acid binding Ig-like lectin 15
Sequence	Met1-Thr26 3
Host	HEK293 Cells
Form/Format	Lyophilized from sterile PBS, pH7.4. Normally 5%-8% trehalose, mannitol and 0.01% Tween80 are added as protectants before lyophilization. Please refer to the specific buffer information in the hard copy of CoA.
Purity/Purification	>95% as determined by SDS-PAGE
Preparation and Storage	Samples are stable for up to twelve months from date of receipt at -20 degree C to -80 degree C. Store it under sterile conditions at -20 degree C to -80 degree C. It is recommended that the protein be aliquoted for optimal storage. Avoid repeated freeze-thaw cycles. In general, recombinant proteins are provided as lyophilized powder which are shipped at ambient temperature. Bulk packages of recombinant proteins are provided as frozen liquid. They are shipped out with blue ice.
Molecular Weight	The recombinant cynomolgus SIGLEC15 consists of 482 amino acids and predicts a molecular mass of 53kDa.
Species	Cynomolgus
Endotoxin	<1.0EU per ug protein as determined by the LAL method.
Predicted N Terminal	Phe 20
Tag	C-human IgG1-Fc
Protein Construction	A DNA sequence encoding the cynomolgus SIGLEC15 (A0A2K5UY47)(Met1-Thr263) was expressed with the Fc region of human IgG1 at the C-terminus.
Reconstitution	A hardcopy of COA with reconstitution instruction is sent along with the products. Please refer to it for detailed information.
Related Product Information for SIGLEC15 recombinant protein	MBS8123602 is a recombinant protein targeting SIGLEC15. Also known as SIGLEC15 Protein, Cynomolgus, Recombinant (ECD, hFc Tag). Host: HEK293 Cells.
Other Notes	Small volumes of SIGLEC15 recombinant protein vial(s) may occasionally become entrapped in the seal of the product vial during shipment and storage. If necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the container`s cap. Certain products may require to ship with dry ice and additional dry ice fee may apply.

SDS-Page of SIGLEC15 recombinant protein

ADDITIONAL DETAILS

NCBI/Uniprot data below describe general gene information for SIGLEC15. It may not necessarily be applicable to this product.

NCBI Accession #	A0A2K5UY47
Protein Family	Sialic acid-binding Ig-like lectin
Precautions	All of MyBioSource's Products are for scientific laboratory research purposes and are not for diagnostic, therapeutics, prophylactic or in vivo use. Through your purchase, you expressly represent and warrant to MyBioSource that you will properly test and use any Products purchased from MyBioSource in accordance with industry standards. MyBioSource and its authorized distributors reserve the right to refuse to process any order where we reasonably believe that the intended use will fall outside of our acceptable guidelines.
Disclaimer	While every efforts were made to ensure the accuracy of the information provided in this datasheet, MyBioSource will not be liable for any omissions or errors contained herein. MyBioSource reserves the right to make changes to this datasheet at any time without prior notice. It is the responsibility of the customer to report product performance issues to MyBioSource within 30 days of receipt of the product. Please visit our Terms & Conditions page for more information.
Product Note	Select online data sheet information is drawn from bioinformatics databases, occasionally resulting in ambiguous or non-relevant product information. It is the responsibility of the customer to review, verify, and evaluate the information to make sure it matches their requirements before purchasing the kit. Our ELISA Kit assays are dynamic research tools and sometimes they may be updated and improved. If the format of this assay is important to you then please request the current manual or contact our technical support team with a presales inquiry before placing an order. We will confirm the current details of the assay. We cannot guarantee the sample manual posted online is the most current manual, it is intended to serve as an example only. Please refer to the instructions For Use provided with the assay kit for precise details.

For Research Use Only. Not for use in diagnostic or therapeutic procedures.
