Uterus Membrane Fraction Lysate – Tissue Lysate

PRODUCT OVERVIEW

Product Name	Uterus Membrane Fraction, Lysate
Full Product Name	Human Uterus Lysate Membrane Fraction
Host	Human
Form/Format	Liquid
Preparation and Storage	For continuous use, store at 2-8 degree C. If not using the entire volume immediately, store single-use aliquots at-70 degree C. Repeated freeze/thaw cycles are not recommended.
Source	Uterus tissue lysate
Applications Tested/Suitable for Uterus Membrane Fraction lysate	Western Blot (WB)
Application Notes for Uterus Membrane Fraction lysate	This product is especially useful for applications like Western Blot, among others. For mini-gel, optimial dilution should be determined by the user. Typically, between 10ug and 20ug per lane is recommended.
Related Product Information for Uterus Membrane Fraction lysate	MBS8420152 is a lysate targeting Uterus Membrane Fraction. Also known as Human Uterus Lysate Membrane Fraction. Host: Human. Human Uterus Lysate Membrane Fraction is provided as a Liquid.
Other Notes	Small volumes of Uterus Membrane Fraction lysate vial(s) may occasionally become entrapped in the seal of the product vial during shipment and storage. If necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the container`s cap. Certain products may require to ship with dry ice and additional dry ice fee may apply.

For Research Use Only. Not for use in diagnostic or therapeutic procedures.
