CD8 Antibody – Mouse Monoclonal

PRODUCT OVERVIEW

Product Name	CD8, Monoclonal Antibody
Full Product Name	Mouse Human CD8 (Biotin)
Product Gene Name	anti-CD8 antibody
Clonality	Monoclonal
Isotype	IgG2a
Clone Number	4B3-F6
Host	Mouse
Species Reactivity	Human
Form/Format	0.01M PBS, pH7.4, 0.2% (w/v) BSA, 0.09% (w/v) NaN3
Preparation and Storage	Store at 2-8 degree C. Keep away from light, do not freeze.
ISO Certification	Manufactured in an ISO 9001:2015 Certified Laboratory.
Related Product Information for anti-CD8 antibody	MBS8559406 is an antibody targeting CD8. Also known as Mouse Human CD8 (Biotin). Reactive in Human. Host: Mouse.
Other Notes	Small volumes of anti-CD8 antibody vial(s) may occasionally become entrapped in the seal of the product vial during shipment and storage. If necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the container`s cap. Certain products may require to ship with dry ice and additional dry ice fee may apply.

ADDITIONAL DETAILS

NCBI/Uniprot data below describe general gene information for CD8. It may not necessarily be applicable to this product.

NCBI GI #	76786711
NCBI GeneID	403158
NCBI Official Full Name	CD8, partial
NCBI Official Synonym Full Names	CD8a molecule
NCBI Official Symbol	CD8A
NCBI Official Synonym Symbols	CD8
Protein Family	CD81 antigen
NCBI Protein Information	T-cell surface glycoprotein CD8 alpha chain
Research Articles on CD8	**1.** The alleles of CD8 alpha and CD3d cDNA from Chinese native and introduced western breeds of chicken were analyzed at the sequence level.
Precautions	All of MyBioSource's Products are for scientific laboratory research purposes and are not for diagnostic, therapeutics, prophylactic or in vivo use. Through your purchase, you expressly represent and warrant to MyBioSource that you will properly test and use any Products purchased from MyBioSource in accordance with industry standards. MyBioSource and its authorized distributors reserve the right to refuse to process any order where we reasonably believe that the intended use will fall outside of our acceptable guidelines.

Disclaimer	While every efforts were made to ensure the accuracy of the information provided in this datasheet, MyBioSource will not be liable for any omissions or errors contained herein. MyBioSource reserves the right to make changes to this datasheet at any time without prior notice. It is the responsibility of the customer to report product performance issues to MyBioSource within 30 days of receipt of the product. Please visit our Terms & Conditions page for more information.
Product Note	Select online data sheet information is drawn from bioinformatics databases, occasionally resulting in ambiguous or non-relevant product information. It is the responsibility of the customer to review, verify, and evaluate the information to make sure it matches their requirements before purchasing the kit. Our ELISA Kit assays are dynamic research tools and sometimes they may be updated and improved. If the format of this assay is important to you then please request the current manual or contact our technical support team with a presales inquiry before placing an order. We will confirm the current details of the assay. We cannot guarantee the sample manual posted online is the most current manual, it is intended to serve as an example only. Please refer to the instructions For Use provided with the assay kit for precise details.

For Research Use Only. Not for use in diagnostic or therapeutic procedures.
